**HALF MILLION U. S. TROOPS ACROSS WATER**

EXACT NUMBER NOT GIVEN, BUT PUBLIC IS ASSURED THAT PRE-DICTION OF JANUARY HAS BEEN SURPASSED

WASHINGTON, D. C., May 10.—The United States now has more than half a million fighting men in France, according to an official statement of the highest authority. In line with previous indications by the authorities of the war department that troops were being rushed across the Atlantic with all possible speed, Mr. Baker now declares that his January prediction as to the transports has been surpassed. As to the exact number and variety of men now in the field, he would give no information, and asked that the Press refrain from speculating as to the numbers abroad. It is believed from his interview that the men are all properly equipped before being sent across.

Secretary Baker's statement follows: "In January I told the senate committee that there was strong likelihood that early in the present year 500,000 American troops would be dispatched to France. I cannot either now or perhaps later discuss the number of American troops in France; but I am glad to be able to say that the forecast I made in January has been surpassed."

**18 ELECTIONS IN TEN YEARS FOR KLAMATH**

COUNTY CLERK DEPUTY GETS SYSTEM OF PREPARING BALLOTS AND SUPPLIES FOR VOTERS "DOWN PAT"

Deputy County Clerk Charles F. De Lap is the official champion election preparer, who is now in position to meet all comers from the bantam to the heavyweight class. Catch-as-catch-can, running start, or any old rules to govern the contest. Charles is now in position to set a pace that will open the eyes of contestants or spectators. For the last ten years he has, unassisted, prepared the blanks and looked after the endless details of sending the supplies to the different precincts of the county. With Klamath County's various and sundry regular, recall and special elections, the number has now reached a total of eighteen, and while this has no doubt worked a hardship on the taxpayers of the county, it has been the means of getting the preparation down to an exact science on the part of the deputy clerk.

**KAISER'S LIFE BARED IN FILM**

The will back of Germany's war and the ruthlessness of German war methods will be brought home to citizens of Klamath County as never before, when "The Kaiser, Beast of Berlin," is shown at the Star theater, in this city on Tuesday and Wednesday, May 14 and 15. New York saw the film only a few weeks ago, and New York went wild with excitement and patriotic enthusiasm, while the American Defense

Society endorsed it as the most powerful piece of patriotic production that has been brought out since America entered the war.

In this seven reel super-production, with Rupert Julian playing in the role of the Kaiser, audiences will see the private life and character of the autocrat, with all his mad vanities and ambitions and cruel selfishness, laid mercilessly bare.

They will see in a terrific review, the massacre and sack of Louvain, and they will see German ruthlessness at work in Belgium, even as it hopes some day to be at work in America.

They will see the decoration of the Kaiser placed on Captain von Neigle, commander of the U-boat that sunk the Lusitania, and will see how the captain went mad with remorse over the crime he was ordered to commit by Europe's "man with a withered soul."

All of the scenes and episodes, up to the entry of America into the war, are historically accurate, and the words of

the Kaiser in the play are correct quotations of his actual utterances. In connection with the present big drive in France, and the Liberty Loan work, the picture assumes a new interest, and gives one an especially vivid glimpse of the actual forces against which America is arrayed in this war for freedom from the curse of autocratic ambition.

**DRAWING FOR ROOSTER TOMORROW EVENING**

The drawing for the rooster, which is being raffled off by the members of the Woman's Relief Corps for the benefit of the Red Cross, will be held at the Star theater tomorrow night. A large number of tickets have been sold, and it is expected that there will be considerable sport at the drawing.
